The Honorable Robert W. Scott
Governor of North Carolina
State Capitol
Raleigh, North Carolina 27602

Dear Governor Scott:

It is both a pleasure and an honor to submit to you the report of the North Carolina Nutrition Survey, Part 1, carried out at your direction by the State Board of Health.

The success of this study was considerably enhanced by the support of a number of state, local and federal governmental agencies, as well as by the cooperation of the many North Carolina families included in the survey sample.

It is our hope that these findings, as well as those to be included in Part 2, will be useful in guiding sound nutrition program planning within our state.

Respectfully submitted,

A handwritten signature in cursive script that reads "Jacob Koomen".
